Brand Guidelines

Visual Identity System — 2026

We help brands get more sales.

We help creators get more clients.

Through creative video — always.

Who We Are

MISSION

We create high-performing videos that drive real business results — more sales for brands and more clients for creators.

VISION

To be the creative studio that turns every brief into content that converts — whether the goal is sales, growth, or brand recognition.

Who We Serve

Brands

Get more sales through
high-converting video ads,
Reels & product content.

Creators

Get more clients by building
a strong personal brand with
content that attracts deals.

Core Values

Results

Every video is
built to convert.

Creative

Ideas that go
beyond the brief.

Strategic

Marketing brain
behind every edit.

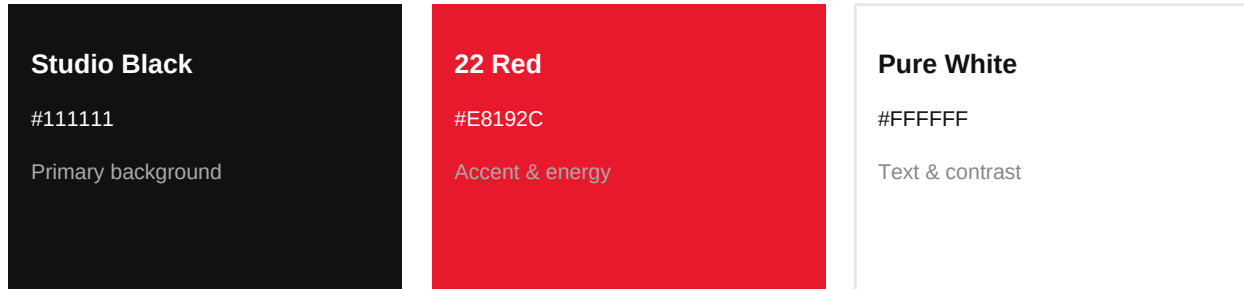

Reliable

Deadlines kept.
Quality never cut.

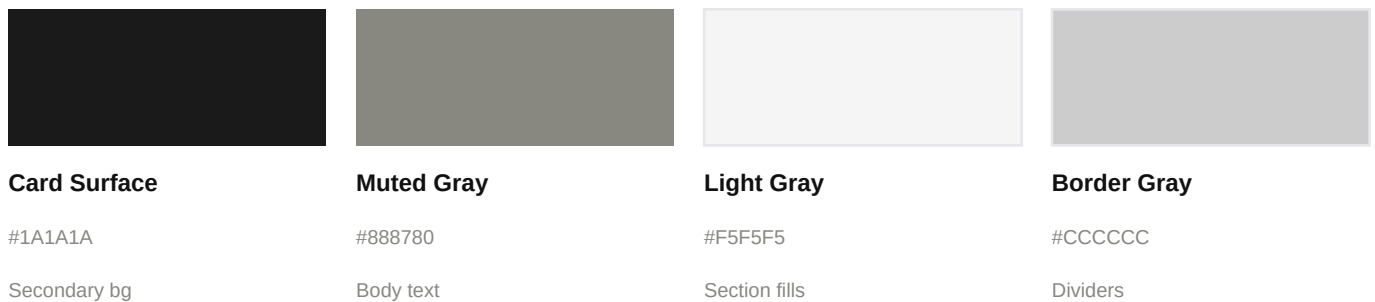

Color Palette

Built from the 22studio logo — bold, minimal, instantly recognizable.

Primary Colors

Supporting Colors

Color Usage Rules

- Red on Black
- White on Black
- Black on White
- Gray on White

Primary CTAs, logo mark, highlights, key accents
Headlines and body text on dark backgrounds

Say This, Not That

SAY THIS

Your story deserves a video that hits.

NOT THIS

We offer professional video editing services.

SAY THIS

We turn your brief into content people cannot scroll past.

NOT THIS

We edit videos for brands and content creators.

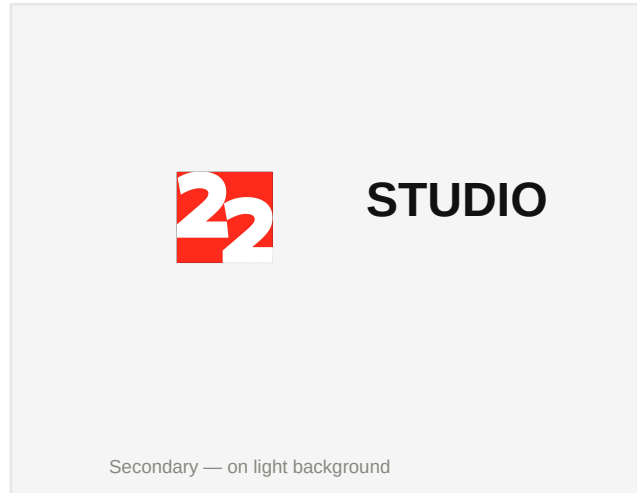

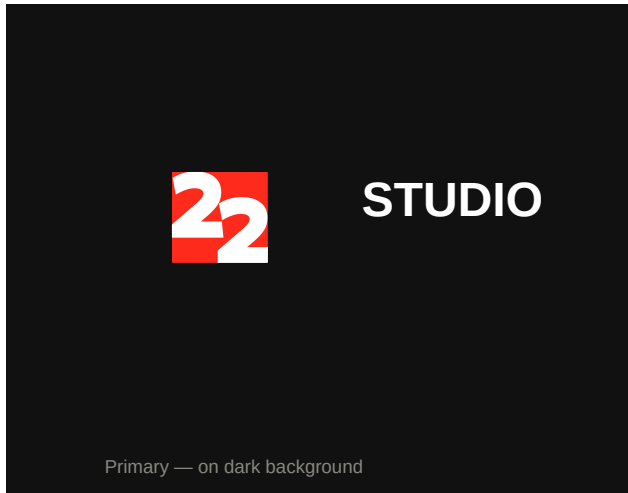

SAY THIS

100+ brands trusted us with their vision. Now it's your turn.

NOT THIS

We have worked with over 100 clients.

Logo Guidelines

Clear Space Rule

Always maintain minimum clear space equal to the logo height on all sides.

Logo Do's & Don'ts

- Use on black or white backgrounds only
- Keep proportions locked — never stretch
- Use red version on dark backgrounds
- Maintain clear space around the logo
- Change the red to any other color
- Add shadows, glows, or effects
- Place on busy or colorful backgrounds
- Rotate, flip, or distort the logo
